Trip to San Francisco
September 21, 2015 at 9:07 AM

John,

Visiting you in San Francisco was so much fun. We definitely need to head back soon. Here are some pictures from our trip:
Hey John, we're getting excited for our trip to Yosemite this summer. The kids are going to have a blast as always. I was thinking a cabin might be a little easier than a tent since...

Hi Everyone,

I’m so excited to see everyone at dinner tonight. A few of you have asked what to bring and all you need to bring is yourself! Parking can be tough around my neighborhood so I would arrive early to give yourself some time to find a spot. Let me know if anyone is having trouble and I can come out and help. I’ve texted everyone my address earlier in case you didn’t already have it. Call if anything comes up. See you at 7:30!

प्रिय कन्नू,

मैं वंश वृक्षावली भेज रहा हूँ, समयानुसार इसको एक चार्ट का रूप दे देना। उम्मीद है कि तुम बीजिंग समय पर पहुँच गये होगे और आराम करने का वक्त भी मिल गया होगा। धीरे धीरे में कोशिश करें कि सभी लोगों से सम्बन्धित तारीखें भी मिल जायें।

Apple UI Design Resources

The Apple UI Design Resources include Photoshop and Sketch templates, macOS and plug-ins, and other UI materials for quickly designing iOS apps.

iOS Apps

The Apple UI Design Resources include Photoshop and Sketch templates, and other UI materials for quickly designing iOS apps. The included resources are comprehensive and accurately depict the full range of UIKit controls, views, and glyphs available to developers using the iOS SDK. They make it easier to understand how iOS apps are constructed and how to design apps that match the iOS design language. Included icon and glyph production files have been preconfigured to automate asset production using Sketch slices or Adobe Generator for Photoshop CC.
